PERMISSION FOR MEMBER TO BE
CONSIDERED AS PRIMARY SPON-
SOR OF H.R. 1744

Mr. PAPPAS. Madam Speaker, I ask unanimous consent that I may hereafter be considered to be the primary sponsor of H.R. 1744, a bill originally introduced by Representative HASTINGS of Florida, for the purpose of adding co-sponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore (Ms. BOURDEAUX). Is there objection to the request of the gentleman from New Hampshire?

There was no objection.

CELEBRATING 31ST ANNIVERSARY
OF ADA

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Madam Speaker, this morning, I had the privilege of joining President Biden at the White House to celebrate the 31st anniversary of the Americans with Disabilities Act.

This landmark civil rights law has drastically improved the lives of people with disabilities across our Nation, including mine.

In 1980, an accidental gunshot left me paralyzed, and for 10 years, I experienced firsthand the adversity that the disability community faced before the ADA.

Since its enactment, this law has helped break down barriers and stamp out discrimination. It has opened doors to new opportunities for people with disabilities and allowed members of our community to reach previously unattainable places in society.

In fact, I can say with confidence that without the ADA, I would not be a Member of Congress proudly representing the people of Rhode Island.

Madam Speaker, though we have made tremendous progress with the

ADA, we can't stop fighting yet. I will continue working closely with advocates and lawmakers like my dear friend, our Majority Leader, STENY HOYER, to advance meaningful legislation to support and protect the rights of people with disabilities.

HONORING THE LIFE OF BRIAN
SCHLIFKE

(Mr. BARR asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BARR. Madam Speaker, I rise today to honor the life of a great American and my dear friend, Brian Schlifke, of Lexington, Kentucky.

Brian served in the United States Army Signal Corps during the Vietnam war, answering our Nation's call with valor through two tours. He was a specialist in communications and earned the Bronze Star and Combat Medal. He once said that he was "no hero, just proud to have been of service to my fellow soldiers."

He continued that spirit of service throughout his life, working diligently on behalf of other veterans. He was associated with the Vietnam Veterans of America and Kentucky's Sixth District Veterans Coalition.

Brian was a tireless advocate for his fellow veterans and worked in a positive way to bring about necessary legislative changes. He had a great spirit and a contagious smile, and his love for his country was unwavering.

Our Nation lost a true patriot when Brian passed away on June 20, 2021. Brian is survived by his wife, Anne, and many other family members.

It is my distinct honor, on behalf of a grateful Nation, to remember, recognize, and pay tribute to the exemplary life of Brian Schlifke.

REMEMBERING DAVID CASTRO

(Mrs. FLETCHER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. FLETCHER. Madam Speaker, I rise today with a heavy heart to honor the life of one of my constituents, David Castro.

Born and raised in Houston over the last 17 years, David was tragically killed in a road rage incident on his way home from an Astros game just earlier this month.

He had a bright future ahead of him. A National Merit Scholar semifinalist, he excelled in math and physics. He was a percussionist in the Westside High School marching band.

Today, as I extend my deep condolences to David's family and friends for their loss, I rise to share their wish that our community and our country remember David through random acts of kindness. What a beautiful way to memorialize him.

David Castro will be missed but never forgotten and will live on in acts of kindness across this country.
